

## WARRANTY

Seller will repair or replace (at its option), without charge (except for freight charges), any parts it manufactures that are defective in material or workmanship as determined by Seller, provided claim is made within 24 months after date of shipment. Seller's liability under this warranty shall be limited exclusively to repair or replacement of its defectively manufactured parts, and Seller shall not be liable for any other damages. Deterioration or wear occasioned by misuse, chemical or abrasive action or excessive heat shall not constitute defects.

The Buyer shall not be required to deliver a defective part to the Seller if:

1. any part manufactured by Seller is destroyed as a result of its defect or of a defect in any part covered by this warranty, and
2. the Seller is readily satisfied that the part was defective at the time of sale.

There are no Warranties which extend beyond the description on the face hereof, including, but not limited to, the implied warranties of fitness for a particular purpose, and MERCHANTABILITY.
